#### **2020 EIAHealth Renewal – CPRA Adjustments**

Alliant reported that Kaiser mistakenly used the wrong pooling point when preparing the claims reports Alliant Underwriting Services (AUS) uses for the CPRA renewal calculation. This caused loss ratios for Kaiser to be inflated, resulting in overstated renewal calculations for some Kaiser members, most notably the City of Clovis, Orange County Sanitation District, and San Bernardino Municipal Water Department.

The Committee approved the adjusted CPRA renewal for the three aforementioned cities, with the remaining nominal pool adjustments being implemented for the 2021 renewal.
