Verbal Judo Communications Training

The EIA is presenting the special communications training **Verbal Judo** on April 29th. The communication strategies and tactics are "derived from the classic worlds of eastern and western philosophy, taking the best in persuasion from the powerful rhetorical thinking of Aristotle and the martial philosophy of Jigoro Kano, the creator of physical Judo." For more information and to register, see the [website](#), or contact [Scarlet Sadler](#).

governmental budgeting. In order to receive this award the EIA must publish a budget document that meets program criteria: as a policy document, as an operations guide, as a financial plan, and as a communications device. A big Thank You goes to all the committees for their work in developing the necessary policies that make the EIA budget worthy of this award.
