EWC Actuarial Results, 2015/16 Rates, and Allocation Review Webinar

Interested in finding out how the EWC Program's actuarial results came in this year, how that impacts the overall funding position of the Program, and how this is all taken into account in your rates? If so, please join the EIA staff on Thursday, March 12th at 10:00 a.m. for a one-hour webinar. In this session, we will review the Excess Workers' Compensation Program actuarial results and the Board's funding decisions for the 2015/16 renewal, as well as review how the premiums are calculated for each member.
